Note: The number of solo placings (which earn aggregate points) is equal to one less than the number of competitors who played to a maximum of six placings. The number of solo prizes awarded (shown in brackets) for the number of competitors who played is as follows: 1-2 [1], 3 [2], 4-10 [3], 11-15 [4], 16-20 [5], Over 20 [6]

Games aggregate points are determined by the BCPA aggregate points system (88, 56, 38, 25, 16, 10 for 1st, 2nd, 3rd, 4th, 5th, 6th respectively). Games aggregate points for band contests are awarded only for the overall result

Grand Aggregates are determined by the Games aggregate points (for allowable events) plus 1 point for each competitor/band placed ahead of in each event

Sorry for the delay. Due to unforeseen circumstances , the Grade 4 band results needed to be reviewed and calculated manually.

The grade 4 band mix created a complicated calculation that our software could not handle and so needed to be overridden by hand.

This did not happen correctly on the field. We have taken time to get our team of volunteers together to review, correct and double check the results being published here.

Feel to contact [entries@bcpipers.org](mailto:entries@bcpipers.org) if you need further explanation.

Thank you.
